K81 Topcap

Matt enamel for walls

Enamel for walls, suitable for applications in interior and exterior, characterized by a very matt finish, equal to 10 Gloss. It can be applied on plasters of different nature, ensuring visual homogeneity and a high covering power. The outstanding features of washability and resistance to abrasion make it suitable to meet the requirements of Reg. 852/2004/CE, ideal for the protection of walls in storage environments and / or where food products are processed, hospital rooms and in all cases where it is necessary to ensure high standards of health and hygiene.
