

Rinnova W

Water-based regenerating protective oil

Protective restorative oil for exterior use, suitable for the maintenance and care of all types of wood. Restores the original aesthetic appearance of outdoor wood items previously treated with solvent- or water-based coatings, while protecting them from weathering and UV exposure.

Ideal for nourishing and protecting the wood of doors, windows, frames, fixtures, gazebos, and garden furniture.

ARREGHINI®
ITALIAN PAINTS SINCE 1950

Rinnova W

Water-based regenerating protective oil

COLOURS

Clear.

of wooden surfaces previously treated with solvent or water-based paints and enamels, which over time tend to become dull and chalky. When applied annually, the treatment revitalizes the colour and

brightness of the finish, significantly extending the lifespan of the applied coating.

FIELD OF APPLICATION

Recommended for periodic maintenance
