PRIMER CAP UNIVERSALE

linea **LASURCAP**

CORROSION RESISTANT PIGMENTED PRIMER

Primer Cap Universale is a water-based water-soluble acrylic primer that develops an excellent adhesion on non-absorbent, smooth and porous surfaces. It has excellent corrosion-resistant and adhesion properties

on different substrates such as: pre-painted wood, galvanized sheet, light alloys, hard plastic materials, old dispersion paints, varnishes and other smooth supports. Recoatable only with water-based enamels.
