## MATT SILOXANE-BASED WASHABLE COATING FOR INTERIORS

Water-based washable interior wall paint, very opaque, easily applicable, with drying times that allow a quick use of the painted rooms. Ideal for professional use as it is extremely compatible and has excellent adhesion properties, excellent filling power and coverage on a wide variety of substrates. Its quality guarantees

an aesthetic and technical solution for a wide range of painting requirements, with an excellent finishing level. The siloxane supplement provides a low dust retention film with a good resistance to washing, making it easy to clean with a wet sponge. Ideal product for kitchens, living rooms and bathrooms.
