

Extra White

Washable, water-repellent, matte interior wall paint

Water-based washable, water-repellent interior wall paint, featuring high opacity and good whiteness. Suitable for decorating and protecting indoor spaces, it provides a uniform and even finish, ideal for covering old paint layers, even on large surfaces and under varying lighting conditions.

Perfect for decorating and protecting interior environments such as kitchens, bathrooms, and living rooms.

ARREGHINI®
ITALIAN PAINTS SINCE 1950

Extra White

Washable, water-repellent, matte interior wall paint

COMPOSITION

APEO-free product based on vinyl-versatic resins in aqueous dispersion and selected fillers.

CHARACTERISTICS

Washable interior paint, featuring excellent filling power, coverage, and fast drying, allowing the work to be completed

quickly with an excellent aesthetic result and immediate usability of the rooms.

FIELD OF APPLICATION

Suitable for decorating and protecting various types of plaster, both new and under maintenance, including different substrates such as drywall and plaster, delivering excellent aesthetic results at a

low cost.

AESTHETIC EFFECT

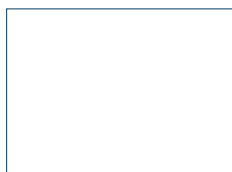

Its properties ensure a uniform finish with consistent opacity even on large surfaces, combining excellent aesthetic and technical performance. With low dust retention, the film created by Extra White is easy to clean with a damp sponge.
